To: The Doorway to Recovery Sober Living Home Residents,

The Doorway to Recovery is extremely concerned for the health and safety of all residents!

Communication is a “must” at this time! This notice is to inform DTR residents of the actions being taken in the event that someone has been using drugs or alcohol.

1. In the event that someone has been found in a relapse situation (drinking or using drugs) or violating any other program rules, please contact **Mark Burchell (313-300-4165)** or the **Main Office (248-987-2696)** immediately!
2. Using drugs or alcohol will result in an immediate discharge from DTR. If a resident should need to be taken to a detox center, hospital emergency room, or a shelter, transportation will be offered to any of those facilities.
3. Residents that have been discharged as a result of testing positive for drugs or alcohol will not be permitted back into the sober living home program without proper medical clearance (paperwork is mandatory). The proper paperwork must be submitted to The Doorway to Recovery's Main Office.

Additionally, if any adjustments or exceptions regarding your dues and fees payments needs to be made, please communicate your situation with Mark Burchell or Claudette Garman. Failure to make a payment will not result in an immediate discharge at this time. However, the client may be relocated to another DTR home. The Doorway to Recovery is committed to helping people out, not kicking them out.

Stay safe and stay healthy,

Mark Burchell
